Nomads of the Seas travels through Patagonia as never seen before; by air, land and water. Thanks to the versatility of its vessel, the Atmosphere, its complete aero maritime transportation system and the expertise of its guides and crew members, Nomads will make you discover a place you will surely fall in love with.

The Atmosphere cruises by night and by day it anchors in bays and fiords of Patagonia, where guests can disembark for their adventures by using the many vehicles available for the programmed activities. If the activities are to last the whole day, our guides are equipped with delicious gourmet lunches, if the activities are shorter the ships staff will have exquisite preparations waiting for you on board.
