LUXURY LIVING ON BOARD TWIZZLE

TWIZZLE's interior design makes the most of natural light and uses a variety of textures to create a feeling of understated luxury. Cashmere throws, soft leather, woven linens, hand painted silks, acid washed oak boards, chocolate lacquer and pale polished marble combine seamlessly. TWIZZLE is all about providing a powerful yet comfortable sailing experience.

TWIZZLE's stylish accommodation is for up to 9 guests in 2 double cabins, a twin with a Pullman berth plus a large master with bath, spa shower and further aft an en suite private study.

The study can convert into an extra single cabin with bathroom with all amenities and is well suited to accommodate a nanny or a dive master.

Stairs from the study / cabin lead aft to a private cockpit for guests to read or relax.

FIVE STAR CUISINE ON TWIZZLE

TWIZZLE maintains her reputation for 5* gastronomic cuisine and, as the yacht heads further afield to the Far East, her chef will adapt his repertoire to that of the surrounding area. "Eat with the country you are in" recommends this adventurous and top class chef!

Of course, charter guests are encouraged to communicate their dining preferences to TWIZZLE's chef and he will happily cater for all tastes.

Dining aboard TWIZZLE is all about delighting your senses!

INDIAN OCEAN/THAILAND

A sailing yacht like no other - built for speed and stability

TWIZZLE's exciting schedule provides for superb sailing around the Phuket area, or venture further afield to the Indian Andaman Islands or Myanmar and the Mergui Archipelago for breathtaking anchorages and beautifully clear water for diving.

TWIZZLE offers first-class cruising between the Mergui Archipelago in southern Burma to Phuket, Thailand, and further south to Langkawi, Malaysia.

Phuket to Langkawi or vice versa will take in the famous James Bond Beach, Krabi, the Phi Phi Islands and perhaps the Similan and Surin Islands all offering kayaking and world class scenery above and below the water.

TWIZZLE takes you away from the crowds ...

Andaman and Nicobar Islands

The **Andaman Islands** are a remote, nearly forgotten part of India and have been designated National Parks. The Indian Government has legislated that these islands retain their natural beauty and only by boat is it possible to experience the abundance of nature that still exists in this amazing area.

Join TWIZZLE in Port Blair and cruise through crystal clear waters and experience spectacular diving. Or – apparently – swim with elephants on the north coast of Havelock Island!

Phuket to Myanmar – the Mergui Archipelago stretches down the entire length of the southern coastal area of Myanmar with over 800 islands of every size. Most are uninhabited, hilly and forest-clad, often fringed with mangrove and blessed with bright-white sandy beaches. The only group of people who adapted to this area is the Mokens, a group of nomadic people who live on their boat-houses with all their possessions.

It is a great destination for island hopping, jungle trekking, hiking, swimming, sea and mangrove river kayaking.

Below is a long-tailed Macaque monkey often seen leaping through the mangroves!
