Milestone

The 146-foot (44.5m) MILESTONE is the most customized Christensen ever built. From her plush interior to her expansive outdoor living areas, charter guests will relish all the luxurious amenities this superyacht has to offer.

The luxury yacht's interior is stunning showcasing gorgeous maple and sycamore joinery that is complemented with fine furnishing and high-quality marble. Charter guests will relish the plush comfort found throughout and feel relaxed while lounging in the main salon. MILESTONE's skylounge provides cinema seating for enjoying a movie after a day on the water. Also, this area can easily be converted into a dance floor allowing charter guests to dance the night away.

MILESTONE welcomes 12 guests in six sumptuous staterooms. The yacht's master suite is a private oasis that offers picturesque views from oversized windows while lying in the plush bed. The stateroom is complete with his-and-hers en-suite baths that are connected via a large shower. The luxury yacht's additional staterooms include a VIP, a king-bed stateroom, a queen-bed stateroom and two full-bed staterooms with one having a twin bed and a Pullman.

Superyacht MILESTONE's sundeck is exceptional. Charter guests can start their day with a workout using the yacht's state-of-the-art equipment — one can sip a cocktail while soaking in the Jacuzzi, become sun-kissed on the sunpads and sit back and socialize with friends. The yacht's three decks offer several options where charter guests can relish a delectable meal while dining alfresco.

Charter yacht MILESTONE is the mecca for those who relish fun in the sun. With a 35-foot (10.7m) Scout and 18-foot (5.5m) RIB, three WaveRunners and a Super Jet stand-up Jet Ski in tow guests will be able to venture to a secluded beach to head ashore to explore the town. Additionally, the yacht is equipped with a plethora of toys including Jet Surfs, E-Foil boards, Wake foil boards, a fly board, kite surfing gear and Golf Driving.
